

# # Catch and Call – Privacy Policy

**\*\*Last Updated: March 2026\*\***

Catch and Call ("the App") respects your privacy. This Privacy Policy explains how information is collected, used, and protected when you use the Catch and Call mobile application on iOS.

## ## Information We Collect

Catch and Call collects only the information necessary to provide its features. This may include:

-  Catch data entered by the user (species, weight, length, date/time, tournament or fun-day type)
-  Optional GPS location data when enabled by the user
-  App preferences such as selected species, measurement units, and tournament settings

## ## GPS / Location Data

Location data is collected **\*\*only if the user enables GPS tracking\*\***. GPS data is used solely to display catch locations on maps and for data export purposes.

-  GPS data is never collected in the background
-  GPS data is never transmitted to any external servers

## ## Data Storage

All catch data is stored **\*\*locally on the user's device\*\*** using a secure local database.

-  Catch and Call does NOT upload your data
-  Catch and Call does NOT transmit your data
-  Catch and Call does NOT sync your data to external servers

## ## Data Sharing

Catch and Call does **\*\*not\*\*** sell, share, or disclose user data to third parties. Data is shared only when the user explicitly chooses to export or share their data (such as CSV or map files).

## ## Third-Party Services

### ### Google AdMob

Catch and Call uses **\*\*Google AdMob\*\*** to display advertisements. Google AdMob may collect certain device information and usage data to serve ads.

>  Review Google's Privacy Policy at  
[<https://policies.google.com/privacy>](<https://policies.google.com/privacy>)

Catch and Call does **\*\*not\*\*** use any other third-party analytics or tracking services.

## ## 📄 Subscription Services

Catch and Call offers optional auto-renewable subscriptions:
